

ROCK SKOOL 2012

Long & McQuade Richmond, BC

Want to know what it's like to play in a band?

Rock Skool participants gain valuable experience playing as a group on guitar, bass, drums, keyboard and/or vocals. They'll also learn about live sound, and a bit of rock history under the skilled guidance of our experienced instructors!

Previous playing experience is necessary for all Rock Skool classes. Students should have an instrument to bring to class and to practice on. Students aged outside the class limits will be considered on a case by case basis.
