"Just a short note to let you know how much my daughter enjoyed the Summer Rock Camp this past two weeks. It exceeded all her expectations, and in her words..."the best two weeks I've ever had!"

I was impressed by the quality of the camp overall and by the exceptional teachers and staff. She learned a great deal about music styles, team work, and has a new respect for all types of music and how difficult it is to sing with a live band! She has counted how many years she'll be able to attend before she is too old ...4 more years!

She hopes to get together with some of her (many) new friends from camp to jam a bit over the winter as she counts down the months till next year! My 11 year old son loved the concert, and is now begging me for Bass Guitar lessons...I'll be in touch with the Lesson Centre!"

★ PRODUCTION

This is a 4 week workshop in which you learn all that is required to produce a full stage rock concert. Under the direction of Sean MacGillivray, a well-respected sound tech in the Metro area, you will have hands-on experience in all aspects of producing quality sound and lighting, including setting up the stage for each of the daily concerts, the PA's in the classrooms for our rockers, and producing the final concerts of the Junior and Senior camps.

10 am to 3 pm Monday through Friday plus the Junior and Senior Concerts. Help with setup on June 28 and takedown July 29 will be highly appreciated.

FEES

- \$525 for Junior Rock
- \$525 for Senior Rock
- \$525 for Production
- a deposit of \$200 is required to register. The remainder is due June 1st
