## Yorkville Paraline Series Speakers Compact Vertical Array System

Bringing the power and precision of processor-controlled touring PA into the hands of the working musician with its simple, compact, plug and play operation. Developed for mobile PA applications and use in venues where trussing or floor hangs isn't practical, the Paraline cabinets mount securely on speaker stands without additional rigging hardware.

### Traynor YGL1 15w All-Tube 1x12 Guitar Combo

A versatile combo for stage and studio. Simple controls paired with Traynor's unique BRIT/PURE/USA switch creates a tone monster!

350557 **\$599**

### Traynor DynaBass400 Head & Combos

Unmatched versatility is ensured by the combination of tube and solid-state topographies in the input signal path. The FET driven solid-state input circuit delivers a pristine clean tone, perfect for funk and pop styles. A touch of a button switches the input to a tube circuit for additional warmth and responsiveness, making it ideal for R&B, rock, blues and country.
