SUMMER ROCK 2015

"Just a short note to let you know how much my daughter enjoyed the Summer Rock Camp this past two weeks. It exceeded all her expectations, and in her words..."the best two weeks I've ever had!"

I was impressed by the quality of the camp overall and by the exceptional teachers and staff. She learned a great deal about music styles, team work, and has a new respect for all types of music and how difficult it is to sing with a live band! She has counted how many years she'll be able to attend before she is too old ...4 more years!

She hopes to get together with some of her (many) new friends from camp to jam a bit over the winter as she counts down the months till next year! My 11 year old son loved the concert, and is now begging me for Bass Guitar lessons...I'll be in touch with the Lesson Centre!"
