

Songwriting and Composition

Ever wondered how songs are written and wanted to write one of your own? By the end of camp you will have an original composition of your own!

July 10 - 14 @ 3 - 5pm
\$200

Topics covered:

Music Theory | Scale Recognition | Chord Progressions | Modulation | Melody Writing | Motif & Phrase Development | Notation | Form & Structure
Rhythmic Composition | Style, Genres & Periods

with a final performance of original pieces!

Requirements: Primary ability to read notes and clap rhythms. Should play at least one melodic or harmonic instrument. Voice and drum students also welcome.
